WhyDoWeDoWhatWeDo?

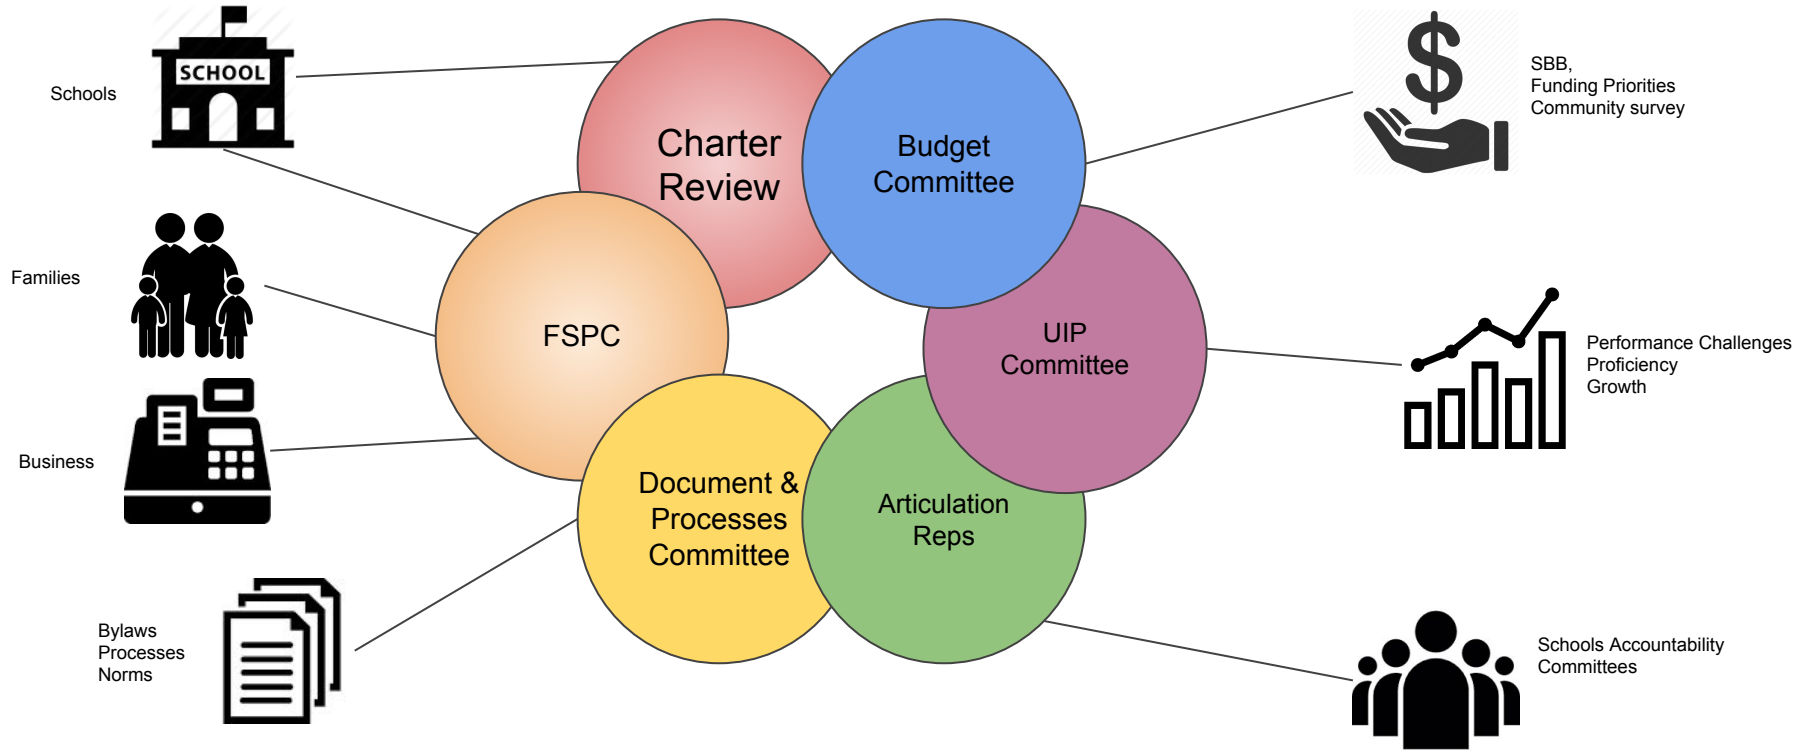

It's Required By State Law (SB 09-063) - Education Accountability Act 2009

We Are an Advisory Body To the Board of Education

- Our role is vital to ensure that the Board hears all relevant information for the areas we have responsibility
- We have an obligation to provide recommendations to the board based on our work
- We collaborate and work with District Staff
- We reach out to the community in a variety of ways for input into the process
 - Local SACS
 - Family School Partnerships
 - Charter School Review

Lots of Constituencies, working together, informing the work of the entire DAC

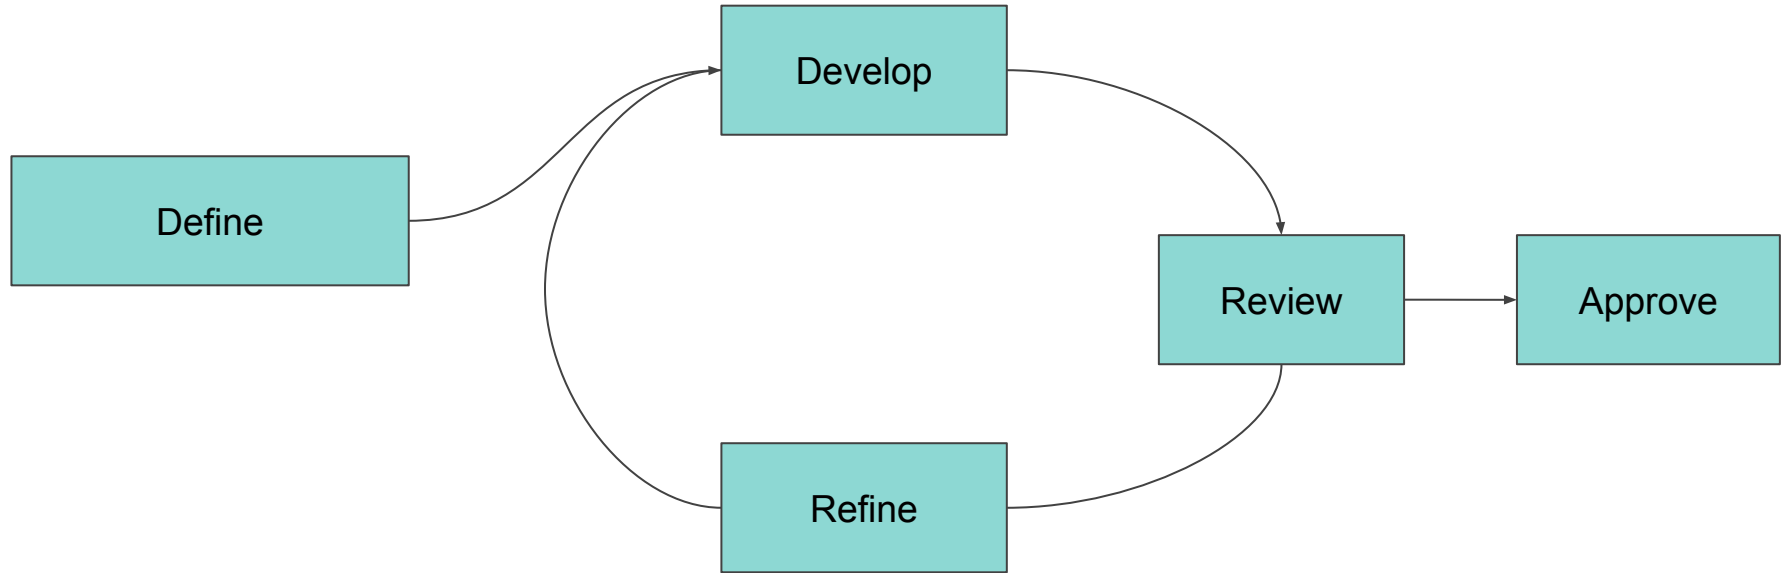

How DAC Operates

- All Members approved by the Board for 2 year term
- Members must participate in at least one subcommittee for one year
 - We won't stop you from participating in more than one!
 - Committee chairs will set meeting times (typically once a month, occasionally more frequently near a deliverable)
- DAC Meetings - 3rd Tuesday of each month* through May
- Objective of meetings will be to keep the entire committee updated on progress made by subcommittees
- Attendance: It's vital you're here (3 unexcused absences)
