MEDIA ADVISORY

Jeffco High School Students to Hold Student Town Hall with Superintendent Dan McMinimee

When:

Thursday, November 19, 10:30 – 11:30 a.m.

Where:

Jeffco Public Schools Ed Center

5th Floor Board Room

1829 Denver West Drive

Golden, CO 80401

What:

Student Town Hall with Superintendent Dan McMinimee

Background:

The student town hall is a great opportunity for students to speak directly with district leadership about what they want from their schools. It is also an opportunity for students to hear directly from Superintendent McMinimee.

The dialogue will provide the superintendent the opportunity to learn from students about how best to address their educational needs and concerns. This year's town hall will occur at the end of the November Student Voice meeting. Two students, selected through an audition process, will moderate the event.

The town hall will be available for all high school students in the district to watch via livestream at <http://livestream.com/accounts/10429076>. High school principals and teachers are encouraged to host viewing parties at their schools for students to watch and submit questions so that all students may be involved. Students will be able to submit questions to the superintendent before and during the town hall via Twitter.

The first student town hall was held in 2014 at Alameda International High School. Students from across the schools district attended the meeting with Superintendent Dan McMinimee, while other students watched the event on streaming video.

Our Mission: To provide a quality education that prepares all children for a successful future.
